

Industrial Thermocouple Assemblies

Industrial Process Thermocouples

Tempco manufactures many styles of industrial thermocouple assemblies for a wide range of industries, from petrochemical to textile applications, where one or more protection tubes may be necessary to protect the thermocouple.

Thermowell Assemblies

Style TCS - 1 with Thermowell

Thermocouple Head, Nipple, Thermowell

Style TCS - 3 with Thermowell

Thermocouple Head, Nipple, Union, Nipple, Thermowell

Metal Protecting Tube Assemblies

Style TCS - 4

Style TCS - 5

Style TCS - 6

Thermocouple Head, Metal Protecting Tube

Ceramic Tube Assemblies

Style TCS - 7

Thermocouple Head, Fixed Bushing, Ceramic Tube

Style TCS - 8

Thermocouple Head, Ceramic Tube
